Article 2 . The reports of the Dump Committee, Conservation Commission and Bicentennial Committee were accepted and are printed below.

REPORT OF DUMP STUDY COMMITTEE

No meetings of the committee as a whole were held due to the fact when attempts were made to hold a meeting, one or more of the members were unable to attend or not available. However, individual members made progress in investigating what was needed in the way of requirements by the State Board of Health, and the Division of Forestry. Also, two members of this committee along with Dr. Allen, our Representative, attended a "Sanitary Landfill" conference held in Bow, N.H.

It is the thought that when a new dump is established it should be a "Landfill" dump, for in a short time open dumps and burning of refuse will be prohibited due to the fact of air and water pollution.

If the Selectmen would follow the suggestions of the U. S. Department of Agriculture, given them over a year ago, on control of vermin, and if the dump were policed year round as it is in the summer, the residents of the neighborhood around the dump would not be faced with the problems which the dump now gives them. Also, it would provide the Town with a suitable area for dumping until a more appropriate site can be found.

I ask that this committee be continued for the purpose for which it was established to consider a more suitable location and methods of disposal of rubbish and garbage for the Town of Rindge.

Ralph L. Hoyt, Jr.
Chairman

REPORT OF CONSERVATION COMMISSION

The Rindge Conservation Commission is in the process of reorganization and needs more support from residents interested in conservation and in preserving the woodlands and wetlands of the Town in a natural state. The Commission plans to send all landowners a questionnaire to learn of any land that might be available for Town Conservation use.

REPORT OF THE BICENTENNIAL COMMITTEE

The Rindge Bicentennial is in full program now. The Founder's Day Service and Reception was well attended and appreciated. The Hampshire County School's Winterfest was an ambitious program well carried out and a credit to the Town and to Hampshire Country School. Mrs. Edith French and her committee had a most successful program with the Durham Reelers last Saturday night.

About 120 people are actively working for the Bicentennial including more than 40 members of the Brothers of the Brush--who are quite evident. We urge your support and assistance on committee work, attendance at the events and your help in publicizing the program to your friends. This is a Banner Year for Rindge.

REPORT OF FOREST FIRE WARDEN & DISTRICT CHIEF

People cause fires. Our records show that the number of fires increase in an area as the population increases and our state is growing tremendously. This means that we all must be aware of fire causes and do our best to prevent their occurrence.

When we are very young, the lighted match is an adventure, burnt fingers and a dropped match is another fire. A little older, we like to have a woodland cook-out, or go out by ourselves for a smoke but fire and forests get together and another statistic. We adults like to clean up in the spring, burn the old debris and the dead grass, result - escaped fires and much personal expense.

With new homes and summer cottages located in woodlands and with abandoned fields and forests crowding the backyard of our villages' streets, it is necessary for everyone is aware all through the fire season, which comes with the disappearance of the snow, of the need to be careful with outdoor fires and fire sources.

The following action will help:

1. To teach our children the danger of lighted matches.
2. Never to discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn -
 - a. You need a written permit from the town fire warden for all debris burning except when the ground is covered with snow. Cooking fires in outdoor fireplaces or in charcoal brasiers in your own backyard is permitted on notification of the warden.
 - b. The Warden is forbidden by regulation to allow burning of household rubbish on grass by householders between 9:00 A.M. and 5:00 P.M.
 - c. Have equipment on hand to control the fire before you light the match
4. Promptly report any fire out of control to your fire warden or fire department

Help to keep our town out of the fire occurrence column and save your tax dollars for useful purposes.

ANNUAL REPORT OF LIBRARIAN - 1968

In the Ingalls Memorial Library the circulation of books for the 1968 was the largest ever recorded. The number of patrons has increased and we have been glad to welcome many of the Town's newcomers.

Several highlights marked 1968 as a successful year. The Open House held on Bicentennial Day was a pleasant occasion. Many people enjoyed the opportunity to visit both the library and the museum. Mrs. George Wallace was the guest speaker and was most gracious and sincere in her remarks.

Russell Stoddard was welcomed home from abroad at an exhibit of his work at the library, and at a later date Joseph Phelan, an art student from Keene showed a collection of his paintings. Both exhibits were well attended.

A gift from the federal government was received which consisted of 50 books with large print which will be very helpful to those finding ordinary print difficult to read.

Books were added to the Memorial Shelf in memory of Mr. Charles S. Pangborn. Mrs. James Perry presented the HISTORY OF MASON in memory of her mother, Mrs. Ellen Augusta (Worcester) Wilson.

The family of the late Mr. and Mrs. Harry Sherwin has established the Sherwin Fund to which they contribute each year. From this fund many fine books have been added to both the adult and the children's collections.

Gifts of books, magazines, and money have been generously donated by patrons of the library. A projector and screen were given by the Friends of the Library, and it is hoped a film program may be planned in the near future.

I extend my thanks for the help and cooperation I have received from the Trustees, and from Miss Ella Connell, Mrs. Marshall Danforth, Mrs. George Semonite, and from my custodian, Mr. Walter Lovell.

Respectfully submitted,
S/Carrie S. Gray, Librarian

REPORT OF TRUSTEES OF INGALLS' MEMORIAL LIBRARY

It is with pleasure that the Trustees report another successful year for the Library.

Circulation for the year was 7,033 volumes, a new high.

Our relationship with the Rindge Memorial School continues to be very satisfactory. The Trustees are indebted to former Principal, Mr. LaPalme and to the present Principal, Mr. Sullivan, for their wonderful cooperation in setting up schedules for all classes to come to the Library at least once every two weeks.

The Bicentennial celebration was a very outstanding event for the Library. The Physical appointments were put in apple-pie order. The walls of the Museums were painted by the girl scouts with Mrs. Stewart and Mrs. McChesney assisting and other parts of the Museum put in order. Curtain material for the Museum windows was donated by Mrs. Stewart and the curtains were made by Mrs. Winters Kendall and her daughters.

The Library Open House was very successful with our Librarian and Trustees stationed at strategic points, in costume. Punch and cookies were served and were well received by our visitors.

A building committee has been formed, headed by Mr. Bruce Herron who has done an outstanding job in this capacity. Hopefully, changes, additions and improvements can be made to provide more usable space for library purposes. The funds are to be raised by voluntary contributions from townspeople and interested friends. So far, the donations amount to \$3,158.00. You will note that an article has been placed in the town warrant in order to permit the building committee to continue their efforts to raise the necessary funds.

Miss Ella Connell has kindly consented to take over the necessary bookkeeping and keeping of the fiscal records. This voluntary help takes much time and effort for which the Trustees are very grateful.

To Mrs. Gray, our librarian, goes our deep appreciation for her devotion and excellent work in making this year so successful. Our thanks also to Mrs. June Danforth for her help and to Mr. Walter Lovell for his help and care of the building.

Respectfully submitted,

Mildred T. Semonite

REPORT OF THE FRIENDS OF THE LIBRARY

On June 21, 1968 the purchase of the long awaited 16mm sound projector was made for the library through the kind assistance of Mr. Verne Patenaude.

The annual Food Sale was held on July 12th, this year due to the Bicentennial festivities.

The Friends assisted at the Open House held on August 17th and again for the Russell Stoddard Art Exhibit.

In September, Mrs. Marjorie Alvord was elected chairman of the Friends and during her unexpectedly brief term she was able to have two reading sessions for the children and took charge of the candy sale held on the night of October 9th when there was a showing of the Bicentennial films. Also, due to her very kind efforts, her grandfather, Mr. Harry Whitney, completed a bookcase of very fine craftsmanship which is now in the children's room.

A stereo has been ordered and delivery is anticipated in early spring.

For the wonderful cooperation of all the Friends we extend warm thanks.

B. SCHOOL PROGRAM

I hereby submit my first annual report as Principal of the Rindge Memorial School in the Town of Rindge.

The School building was in excellent condition with well polished floors and freshly painted walls for the opening of the school year 1968-1969. This was accomplished through the fine efforts of Mr. Quimby.

The enrollment this year is 170 pupils which includes our new kindergarten.

Included in our staff this year are six new members:

Mrs. Lorna Letourneau	Kindergarten
Miss Sheila Hogan	3rd Grade
Mrs. Anja Branham	5th & 6th Grade English, Social Studies and Science
Mr. Robert Davieau	Music - Tuesdays
Mr. Frank Pinkham	Art - Tuesdays & Thursdays
Mr. Gerald A. Sullivan	Principal - Math Grades 4, 5 and 6

Continuing Programs

There are several curriculum and evaluation study groups working throughout Supervisory Union Number 47. The responsibility of these committees is to offer the best educational programs possible for the children of Rindge and Supervisory Union Number 47.

The teachers from Rindge participating are as follows:

Mrs. Sands	Spalding Reading Committee
Mrs. Hale	Report Card Evaluation Committee
Mr. Sullivan	Mathematics Study Committee
Miss Hogan	Reading Study Committee

The sixth grade children experienced a productive week in the Outdoor-Conservation program at Boston University Sargent Camp last October. The students were accompanied by Mrs. Branham and Miss Hogan.

An area in the building has been transformed into our new library room. This project was accomplished through the efforts of the complete staff. The pupils and staff are making very good use of this important facility.

In the area of reporting to parents, Mrs. McKenny held Parent-Teacher conferences with the parents of her first grade children. These conferences were scheduled at the close of the first marking period. The Parent-Teacher conference prove to be very satisfactory in that they helped to bring the parents and teachers toward a closer understanding of the child. We at the Rindge Memorial School want to extend an open invitation to all parents to come and visit with the teachers and myself during the school year.

For the past three years, area and Rindge children who have difficulty achieving and adjusting to the educational processes have had the opportunity to be referred to the Monadnock Children's Service Center in Keene.

With the clinic evaluation program and conferences held between the clinic staff and the school personnel it has been possible to place the children involved in beneficial programs. This type of service has been invaluable to some children in Rindge and others throughout Supervisory Union Number 47.

The physical education program continues to be under the joint leadership and guidance of Mrs. Estabrook from Franklin Pierce College and your principal.

Each grade in the school has a forty minute physical education class per week. These classes are conducted by students from the College who have been selected by Mrs. Estabrook. The college student work directly under the guidance of Mrs. Estabrook.

The physical education program has been most successful and I would like to add that we receive this service at no cost to the district.

Field trips are an important part of the whole educational program of today. Our children have had the opportunity to visit places of interest and education value this year. Trips have been made to the Meadowood Fire Department in Troy and the Plymouth Plantation in Plymouth, Massachusetts. Other trips are scheduled for this spring.

The music and art programs have been expanded so that each grade has one lesson per week in each area. This has been made possible by sharing music and art teachers with the Jaffrey School District.

Those children in grades 4-6 who wish to learn to play a musical instrument have this opportunity through the instruction of Mr. Richard Sanders of Conant High School.

New Programs

The newest addition to the educational program in Rindge is the formation of a kindergarten. This program has been most successful since its opening last September. Mrs. Lorna Letourneau was hired for this position and I feel is one of the reasons for the success of the class. There are 29 pupils having been divided into the two sessions. One is held in the morning and one in the afternoon with about 15 children in a session.

The objectives of our kindergarten program are to help children adjust between home and school, learn to get along with others, to develop a readiness for school and school procedures, and to express themselves effectively and creatively.

The Physical Plant

The people of Rindge can be proud of their school plant. Good planning was evident when the school was first constructed. It appears that the time is not too far away when we will need to plan for additional space at the school.

I would like to take this opportunity to express my appreciation to the School Board, the members of our staff, the Superintendent and his office, and the parents for the interest, help and cooperation which they have given this year.

PART VI: AUXILIARY ACTIVITIES AND
SPECIAL REPORTS

A. Health

On May 9, 1968, a pre-kindergarten clinic was held and 19 children were seen by the school nurse.

The following week, on May 16, 1968, a preschool clinic was held and 18 prospective first graders were seen by the school nurse.

In June, 1968, a Sabin Oral Polio Vaccine Clinic was held. Dr. Sterling administered vaccine to 134 preschool and school age children.

As in the past, the Rindge Memorial School health program expresses its appreciation to Dr. Sterling for his readiness to be of service in promoting and maintaining the health of the children of Rindge Memorial School. The school health program is designed to help you help your child, and to the extent that good health promotes a successful school experience, we enlist your cooperation in achieving that aim.

According to my knowledge, this report is correct and complete.

Margaret Barnes, R.N.
School Nurse

RINDGE PUBLIC BEACH STUDY COMMITTEEMajority Report

We believe that in order to function properly, this Committee should have some knowledge of what has been done in previous years toward obtaining a public beach. The following is a brief resume of our findings.

In the Fall of 1943 a group of citizens and Town officials petitioned the Monadnock Region Association to help develop a plan for the Town's recreational needs. In consequence, the State Planning & Development Commission submitted an 18-page report, part of which we quote as follows:

"Establish a system of scenic roads and trails for those who like to motor, ride horseback and hike or ski. An attractive marker indicating the type of route and a tour map would be excellent aids to this plan. Fire trails can be used for horseback riding and hiking.

Develop picnic spots on hilltops and on lake shores for the use of residents.

Develop one or two public bathing beaches for the use of residents, these to have simple but adequate facilities."

Our Committee can find no reference to any of these recommendations being consummated.

In the 1948 Town Warrant, Article 12, the Town was asked to vote on acquiring land on Monomonoc Lake for bathing privileges. It was voted to acquire at least 200 feet and \$3,000., was appropriated for this purpose. No land was acquired and the next year, 1949, the \$3,000 was returned to the general fund.

In the 1954 Warrant, Article 15, a committee of five was appointed to consider establishing a public bathing beach. This committee, with the approval of the Selectmen, starting filling the few feet between the road and shore on Pearly Lake with donated time and equipment. This project was abandoned when trespass action was taken to court.

In 1966, John Rice donated an area on Grassy Pond for a Town beach which the Town accepted and \$1,000 was raised for development (Article 21).

In the 1967 Warrant, Article 24, \$3,000 was appropriated to provide for bathing facilities at the Grassy Pond site. Part of this amount was used for that purpose but it was found that additional land was needed for parking and bath-house facilities. Adjacent land was deemed adequate but the owners, Cathedral of the Pines, refused to sell for this purpose.

In the 1968 Town Warrant, Article 15, the Town was asked to vote on taking by eminent domain, the land owned by Cathedral of the Pines abutting the Grassy Pond beach. The article was indefinitely postponed and a committee of 5 appointed to study the matter of a Town beach.

This Committee have taken field trips by car, jeep and boat to 26 sites; have corresponded with and interviewed owners of shore property. No owners of desirable property are willing to sell at present for a public beach. Of these, two sites, Christ Church Camp on Lake Monomonoc and the Davol property on Pool Pond, are most desirable if negotiations could be made.

Another alternative is the further development of the present beach site on Grassy Pond by acquiring other adjacent land, at present available. As work has already been done in this area, we believe the cost to continue at this site would be less than to start proceedings at another site.

We recommend that a standing committee be appointed, to work with the Selectmen, toward acquisition, development, maintenance and supervision of recreational facilities in this Town.

Respectfully submitted,
RINDGE PUBLIC BEACH STUDY COMMITTEE

Hazel Allen, Secretary

Minority Report

The Beach Committee appointed by the Moderator at the March 1968 Town Meeting held many meetings, visited all known or suggested sites no matter how remote and the members talked with many people concerning the problem. Unfortunately, no possible site was discovered to be available, either by gift or the Town or at a reasonable cost.

In the opinion of the undersigned the Witty property on Grassy Pond at a cost to acquire and develop of \$20-\$25,000 at least would be too great a burden at this time on the taxpayer, a poor location for future development, and its location would be the subject of further controversy as a future threat to the Cathedral of the Pines as demonstrated at the last Town Meeting.

The two best sites in Town as generally agreed are a small section of the Davol property on Pool Pond and a section of the 1,300 foot 139-acre Christ Church property on Lake Monomonoc, the owners of both properties refusing to consider an offer by the Town at present. These properties are the logical subject for future negotiation by the Town authorities.
